ACAIT 2022

October 28-30, 2022, Changzhou, China

CALL FOR PAPERS

Organizers

General Co-Chairs

Qionghai Dai

Tsinghua University, China

Cesare Alippi

Politecnico di Milano, Italy

Jong-Hwan Kim

Korea Advanced Institute of Science
and Technology, Republic of Korea

Steering Committee

Deyi Li

Chinese Academy of Engineering, China

Quanfa Zhou

Changzhou Institute of Technology, China

Shuzhi Sam Ge

National University of Singapore, Singapore

Executive Chair

Hong Liu

Peking University, China

Program Committee Chair

Xin Xu

National University of Defense Technology,
China

ACAIT 2022 is intended to provide a forum for scientists and practitioners to present their latest research findings and explore opportunity of research collaboration in the area of artificial intelligence.

ACAIT 2022 will include keynote addresses and invited presentations by eminent scientists and practitioners.

Topics of interest include, but are not limited to

- » Perception and robotics
- » Knowledge representation and deep learning
- » Natural language processing
- » AI-enabled applications
- » Intelligent control
- » Autonomous systems
- » Swarm intelligence
- » Smart medical System
- » Intelligent vehicles

Publication of papers

All accepted papers will be included in the proceedings of the conference and submitted to Ei Compendex.

Journal Publications

The authors of the selected papers will be invited to expand their conference papers for consideration in one of the following journals: *International Journal of Bio-Inspired Computation* (SCI), *Electronics* (SCI), *CAAI Transactions on Intelligence Technology* (SCI), *Mathematics* (SCI).

For further information please contact the conference secretariat at xb@cqut.edu.cn

Important Dates

June 30, 2022

Paper Submission Deadline

September 27, 2022

Notification of Paper Acceptance

October 20, 2022

Submission of Final Papers
